Individual (\$75) \_\_\_\_\_ Student (\$15) \_\_\_\_\_
(Employees of companies; franchise owners)

Here are just a few reasons why you should be part of AIBA:

You'll Have An Active Voice In the Community and Government. We promote "Buy Local" and small biz economic incentives at events as well as in radio, print, and television interviews.

You'll never pay for AIBA networking events! Our free networking events are held at member locations, such as Slate Street Café, Los Poblanos, Just Sprinklers, Dekker/Perich/Sabatini, WESST, O'Niell's Pub, The Loan Fund, or the Albuquerque Arts Alliance.

Our Monthly Think LOCAL! Lunch Clubs. Every month you can attend a low-key, yet informative private lunch at one of our member's restaurants, such as Slate Street Café and Cervantes.

You'll be marketed in our twice-yearly member directory (with additional discounts for spotlight advertising in the directory.) The directory is distributed city-wide, shops and markets as well as to all the city library branches and inserted into Albuquerque The Magazine (15,000 issues).

You'll be marketed online, with a searchable member directory available to all. We also post member news on our site and talk about it in our monthly e-letter. And, we're building a whole new web site (online community) for 2009 - with more resources as well as more space for your information and member spotlights.

You can make a difference! Taxes. Health care. Environmental issues. We're doing more in public policy every year - now's your chance to set the direction and make a difference.

You'll receive our free (and short) monthly e-letter - with news and tips you can use, on everything from obtaining capital to improving your web site.
